

Questionnaire

Please fill in the following questionnaire to evaluate the information presentation of the robot interface in this experiment. Each question is rated on a seven-point scale from "strongly disagree" to "strongly agree." Check the box that best fits your subjective feelings. Note that the problem includes both positive and negative evaluation, please make sure to see. There is no right or wrong answers, we care about your personal opinions

1.I think this interface is useful.

strongly disagree							strongle agree
	1	2	3	4	5	6	7

2.I think the interface doesn't provide much help when I'm using the robot.

	1	2	3	4	5	6	7

3.I think the interface is beneficial for my interaction with the robot.

	1	2	3	4	5	6	7

4.I think the difficulty of completing the task is about the same without the interface.

	1	2	3	4	5	6	7

5.I think the way the interface presents information is easy - understandable.

	1	2	3	4	5	6	7

6.I think it's hard to remember how to use the interface

	1	2	3	4	5	6	7

7.I think the interface is helpful for me to understand robots

	1	2	3	4	5	6	7

8.I think I need explanation to understand the interface

	1	2	3	4	5	6	7

No. (Staff member fill in) : _____

9.I think it's easy to learn how to query different information on the interface

strongly disagree				strongly agree		
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

10.I think the way the interface presents information is complex

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

11.I think it's easy to find the information I need on the interface

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

12.I think the way the interface presents information is confusing

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

13.I think the information on this interface is well grouped

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

14.I think the information structure of this interface is not obvious

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

15.I think the information on the interface is arranged in order

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7

16.I think the information on this interface is disorganized

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
1	2	3	4	5	6	7
